

Treasurers Report for year 2009-2010

I have decided to include details of the various transactions in my reports. Please find attached summary of HNC's accounts 2009 – 2010 to date. I have provided balances and assets summaries for this financial year to date.

Cash accounts

At 29-12-09, of financial year the accounts are at follows: Current account £1761.34 &
Reserve Account £1111.00
Total cash value at 29/12/2009 is £2872.34

The HNC gets limited external funding, and hence most of the monies raised have been by the efforts of the HNC Executive committee, mainly from car boot sales. I would like to thank the committee for their efforts.

Expenditure is mainly on the clerks' honorarium, Events Insurance and advertising for HNC's events e.g. Car boot sales and the Classic car and bike show.

Assets

A full list of the assets has been compiled and values assigned for the beginning of the financial year. Assets existing at the beginning of the year have been depreciated at 20%. Assets acquired during the year have been assigned their full value at the close of the year.

Total value of assets as of 01/04/09 was £1890.92

Assets will have depreciated £378.18 over the current financial year.

At 31st March 2010 the projected value of the assets owned by HNC will be £1512.74

Verification

There is no requirement to have the accounts formally audited. In view of the financial position of the HNC these accounts will not be formally audited. They will, however, be verified and checked by at least two people other than myself. This will be done before the next public meeting.

Paul Mallett,
Treasurer,
HNC Executive Committee.
