

Heysham South, Middleton & Overton. May 2016

PACT Meeting 9th May 2016. Venue: The Royal Hotel, Heysham Village.

Introductions and welcome by Graeme Austin.

Incidents reported during April. Two reports of broken windows by unknown means, probably a pellet or ball bearing type gun. An electric meter in an outside cabinet was interfered with. Paintwork to a car has been damaged, possibly by children below the age of criminal responsibility.

Anti-social behaviour incidents include; scrambler / mini moto style motorbikes being ridden in the Half Moon Bay area.

PC Matt Duffy was made welcome and introduced himself to the meeting having moved to our area from Blackpool. He stated he is keen to get to know the area and the associated problems. He listened intently to the concerns expressed and assured the residents assembled that the anti-social behaviour and criminal damage in the Village will be dealt with as robustly as possible. With warm daylight summer evenings The Barrows will be a priority for the NPT and the anti-social behaviour patrol vehicle. The cards with the relevant contact details were distributed.

The Neighbourhood Policing Team / Morecambe Police team were thanked for their actions in response to reports received from the Neighbourhood Watch group on Upper Kingsway. This resulted in a property being visited where a number of cannabis plants were seized and dogs were taken into the care of the RSPCA.

An offender, responsible for the damage to Wesley Methodist Church is no longer in the area.
